Dear Parents,

Welcome back and to the Summer Term. I hope you had a lovely Easter holiday, and you were able to make the most of some brighter weather and to be with family and friends.

On the back of this letter is an overview of the learning that has been planned for this term. Our History theme is Ancient Greeks with a local study comparison and our Geography theme is Biomes and Climate Zones. In Science, we will be learning about Living Things and their Habitats and Evolution and Inheritance with Roselind Franklin as our link scientist. In Art and Design, we will look at the futurism movement and in Design and Technology we are looking at Nutrition and Cooking.

Homework (English and Mathematics) will continue to be given out on a Thursday and needs to be handed in on the following Tuesday. Spellings, which need to be learned at home, will be given out on Monday in your child's red home spelling logbook and this book needs to be back in school on Friday of the same week ready for a weekly spelling test.

Children should read at home (independently and to an adult) on a regular basis (daily if possible but at least 3 times a week). These should be recorded in your child's reading record book. Their reading record book and reading book need to be in school every day so that adults in school can listen to your child read and record their comments. It is also important to discuss what your child has read to help develop their reading comprehension skills.

It is important that your child gets into the habit of completing their homework and other tasks as outlined above in preparation for their move to high school. We encourage parental involvement in all homework, especially if your child is experiencing difficulties. However, if they do need further support, please advise them to come and see me for English, or Mrs Jones for Maths, or via the parent feedback on their homework sheet.

On a Tuesday and Wednesday afternoon, the children will have P.E. Please ensure your child has the correct kit for lessons and all items, including their school uniform, are clearly labelled. No jewellery is to be worn for P.E. and earrings must be removed.

We are looking forward to working together to ensure your child's continued happiness and safety and to enable them to achieve their full potential. Should you have any concerns or queries, please do not hesitate to email me ([ltaylor@goodrich.hereford.sch.uk](mailto:ltaylor@goodrich.hereford.sch.uk)) or see me at the end of the school day or make an appointment at the office.

Kind regards

*Mrs. Taylor*
